

TOPP CLIP P

YOUR SECTOR: Accessories and luxury clothes, drinks, cosmetics, perfum, electronics, informatics

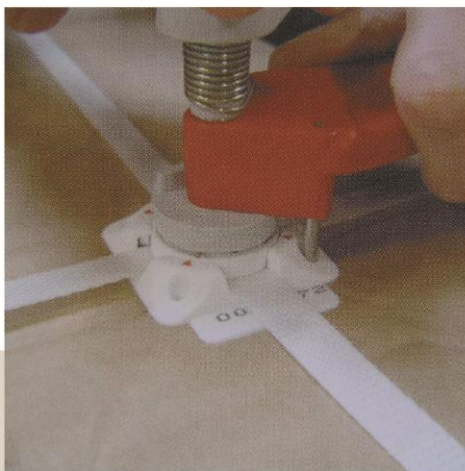

Use: parcels, pallets, boxes, packagings closed with straps

Insert the seal basis under the strapping at the crossing of the 2 bands.

Position the lid with a strong pression to drill the strapping.

Insert the key in the holes and turn in the clockwise direction.

Locking attested by the "click" and by the alignment of the witnesses.
